The Voice of
Shofar Ministry
God

Joel 2:1
“Blow a shofar in Zion, for the day
Of the LORD is at hand ! “

“The shofar is an instrument that will one day announce the coming of the King and wake the dead. In more than thirty years of ministry I have heard many attempt to play this heavenly instrument but, until I met Don, very few with any success, much less anointing. Don Heist is one of the very select players that I have invited to join me and my team as we travel the world to minister in word and worship.”

Paul Wilbur

Integrity Music Artist, Jacksonville, Florida

“I feel the power of the shofar that night (2/3/08) went into Israel. Sound creates movement, and since that time, hidden things are being uncovered in Israel, conflicts are occurring in Gaza, and our nation seems to be in total confusion over its leadership processes. KEEP BLOWING YOUR HORN!”

Chuck D. Pierce, President

Glory of Zion International, Inc., Denton, Texas

“I have found over the past decade and one half, that the shofar, when used properly, is a weapon that the LORD uses to break yokes of bondage, release anointings and demolish strongholds. Don is one who is both skilled in its use and anointed of God. I have witnessed first hand the power of God released as Don has sounded the shofar.”

Ron Cantor, Associate Pastor

King of Kings Community, Jerusalem, Israel

Much the same way that Abraham was tested in Genesis 22, our faith today is tested to build our dependence on Adonai, the living God. Joel 2:1 instructs us to “Blow a shofar in Zion, for the day of the LORD is at hand!” Even today, we have a tool of God at our disposal. It is a weapon of warfare, instrument of healing, and an announcement of declaration. It truly is “the voice of God!” When sounded under the anointing of God, the shofar has been known to release the power of God to heal physical bodies, and deliver the saints from bondage. As “the voice of God”, it is the *only* sound that Satan cannot corrupt, or tolerate. The enemy will flee at the sound of the shofar. Contact the ministry to find out how the shofar can be used in your services.

1 Thessalonians 4:16—The LORD himself will come down from heaven, with a loud command, with the voice of the archangel and with the shofar call of God, and the dead in Christ will rise first.

“In my lifetime, from synagogue services in my youth to decades of church services and Messianic Jewish meetings, I have heard countless shofar blasts, but none so sweet, melodic, precise, well timed and appropriate as the shofar blasts of Don Heist. He is one of the few men I have ever heard who knows how to play the shofar—and he does it for the glory of God.”
